

MS Maud

Being upgraded in 2021 and equipped with shore power connections, MS Maud is well-suited for expedition cruising. Her bright interiors are appointed in a classic Art Deco style. Colours are inspired by the Midnight Sun, allowing you to relax in warm summer vibes every day of the year. Channel your inner scientist in the advanced Science Center and enjoy daily lectures, sample delicious dishes in the restaurants and enjoy refreshments in the Explorer lounge & bar. There's also a gym and a sauna with beautiful views. Take a soothing dip in the outdoor hot tub before retiring to your comfortable cabin or suite.
